Mapped, edited, and published by the Geological Survey

Control by USGS, USC&GS, and International Boundary Commission

Planimetry by photogrammetric methods from aerial photographs taken 1965. Topography by planetable surveys 1966

Polyconic projection. 1927 North American datum
10,000-foot grid based on Minnesota coordinate system, north zone
1000-meter Universal Transverse Mercator grid ticks, zone 15, shown in blue

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs
